Elect

Letter No. 11710 dated the 18th/26th October 1946 from the Chief Electrical Engineer stating that all the employees of the Electrical Dept who are in service or who retired after 1-9-46 have been brought under the pension scheme, that the recovery of the Electrical Dept Provident Fund Recovery from the next pay of the employees would leave a gap in their service, of a few months over which no compulsory deduction either towards State Life Insurance or the Provident Fund is effected as per rules and proposing that the recoveries towards the Electrical Dept Provident Fund may be permitted to be continued as heretofore until the recoveries from the employees either for State Life Insurance or State Provident Fund actually starts.

Submitted for orders. Financial Concurrence is necessary for the proposal.

HN 28-10-46.

Rep 28/10 2) Consequent on introduction of pension benefits to the employees of the Elect. department, recoveries for insurance in the official branch or towards the State Provident funds have to be effected. As this is expected to take a few months and in order to maintain continuity in the recoveries, CEE has requested the Auditor to continue recoveries on the EDPF till the fresh recoveries as at 'A' supra are made. This may be approved with financial Concurrence.

SECRETARY TO GOVERNMENT * P.W.D. ELECTL & RYS
Date 26.10.46

GOVERNMENT OF MYSORE
ELECTRICAL DEPARTMENT

OFFICE OF THE CHIEF ELECTRICAL ENGINEER,
Bangalore, 18th October 1946
(MYSORE, S. INDIA.)

26.10.

717
26.X.1946.

The Secretary to Government,
Electrical Department,
Bangalore.

Sir,

Extension of pension benefit to the employees of the Electrical Department.

Adverting to G.O.No.E.D.S.898-901/Elecl.320-45-2 dated 9-10-1946 extending the benefit of Pension to all the employees of the Department who retire on and after 1-9-1946, I have the honour to state that necessarily the recovery from the employees of the Department towards E.D.P.F. has, in the usual course, to be stopped from the next pay to be drawn or disbursed to them. Extension of the benefit of Pension also implies the necessity of the member being made a subscriber to the State Provident Fund if he is overaged for insurance in the Official Branch of the Mysore State Insurance Department or to compulsorily insure in the Official Branch. The department consists of nearly 3,000 permanent employees and the question of their insuring their lives in the Official Branch or subscribing compulsorily to the State Provident Fund account will naturally take up a couple of months for settlement. The stoppage of the E.D.P.F. recovery from the next pay of the employees of the Department would thus leave a gap in their service, of a few months over which no compulsory deduction is effected, I propose that the E.D.P.F. recoveries may be permitted to be continued as heretofore until the recoveries from the employees either for insurance or for State Provident Fund actually starts. The Auditor, Electrical Department, is being requested to continue the recoveries towards E.D.P.F. pending sanction of Government to my proposal.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Electrical Engineer. 26/X
